This March we said good-bye to our secretary Mrs. Bosch, as she retired after working at MFHS for ten years. She worked with two wonderful principals — Mr. Mills and Dr. Holmes. She says she will miss working with all the kids who helped her in the office. When asked about her plans for retirement, Mrs. Bosch replied she had a specific plan in mind for retirement except to move back to Michigan. There she hopes to just sleep, relax, and read. Thank you, Mrs. Bosch for your dedicated service these past ten years. We wish you well!

The first year in the tough Okaw Valley Conference the Trojans finished 4-3 in conference play. The Trojans won the first four conference games before finishing on a three game slide. The Trojans' five losses were to teams making the state play-offs with St. Theresa and Sullivan making it to the class 2-A semi-finals. The coaching staff felt that the Trojans made a good showing this season playing one of the toughest schedules in school history.

Maroa-Forsyth Volleyball 1995

Volleyball is a demanding sport in which skill and talent are necessary ingredients for success. Coming off a second place finish last year, the varsity team tried to recapture and past this feat. Although the varsity team fell slightly short of accomplishing this goal, the team performed exceptionally well by achieving a final season record of 19-12. Under the guidance of their new coach Kim Brown, the group performed with much determination and discipline. A few of the brighter highlights this season were the great Senior Night defeat over Meridian High School and the regular season win over Warrensburg-Latham High School. Even though volleyball is a team oriented sport, a few members were recognized for their efforts. Lisa Evans, senior, earned First Team All-Conference, unanimous, and All-County, while senior Monica Chandler and sophomore Nicole Stemler were named to the Second-Team All-Conference.

When the 1995 Golf Season started, the Maroa-Forsyth Golf Team had high expectations on having a great season. The Golf Team would return six players who on any given night could score low. With the top four scorers back, the team had a record setting year. Seniors Mike Pyle and Mike Pope along with Junior Drew Grider and Sophomore David Thompson led the Trojan Golf Team to a record setting 24-2 record. The J.V. Team finished with a 3-3 record. Upgrading their schedule to include more Class AA Schools, the Trojans placed 2nd in the Okaw Conference Golf Tournament, 1st in the LeRoy Scramble Tournament, and finished 5th in a record setting field at the boys Class A Regional at Mahomet. The Boys Regional at Mahomet had several teams and individuals set records and scores that were among the best in the State of Illinois. The team finished 5th for the second, and was two strokes away from advancing as a team in the Class A Sectional. David Thompson and Mike Pope were able to advance as individuals to the Boys Class A Sectionals at Illinois State University.

Forsyth and its People

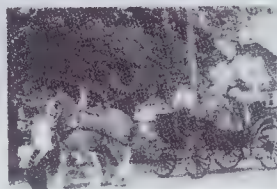

Maybe we're just concise, but to tell you the best things in Forsyth takes only one page.

You'll soon discover the variety of activities that Forsyth has to offer.

Spend the day in our neighboring community. The Hickory Point Mall located on Rt. 51 has a wide variety of shops and restaurants to satisfy shopper enthusiasts. The anchor stores are Bergner's, Von Maur, J.C.

Penney's and Kohl's which offer bargains galore. Relax in our newly expanded Hickory Point Theaters 12. Twelve theaters make your choices easier. Applebee's and Cheddar's,

Hometown Buffet our newest restaurants, have a variety of menus to entice the palate.

The Village of Forsyth is one of the fastest growing

communities in Illinois. The Library and Village Hall are examples of our commitment to progress.

Cross country skiing and sledding are activities that kids and adults enjoy in the winter months in Forsyth Park. Take a walk through the gently wooded park following the path of Steven's Creek. Join the fun at the Forsyth Celebration in the Park. Every year our beautiful park

becomes a hub of activity.

Come experience the down-home atmosphere. We are growing to serve you better!
